Lauren Zumbrun, RETTEW

OLD BUSINESS

- Bus trip update: There will be a trip to New York City, “A Day on Your Own” Saturday, December 1, 2007. Depart at 7:00 AM from West Hanover Twp. Building, 7171 Allentown Blvd. Arrive in New York City, Time Square at 11:00 AM. Depart Time Square at 7:00 PM. There will be Fast food stops both directions. Maps and coupon books will be sent when we receive your reserved payment in full. Cost \$45 pp. Registration form and a description of the day will be a part of the next newsletter. A contract was signed with Lowee’s Group Tours for a reserved amount of 10 seats. The other previous trips that we discussed will be at another time when we feel that our Township can fill a full bus and leave from our township building for a more convenient, enjoyable day for our residents.
- We will have to have a Program Registration Form for our Conewago Township Parks & Recreation Department.
- Newsletters for the Township will be handled by Norm Miller.
- Our board was willing to help construct a Community Event sign to be placed on the front lot at the Township building, for all new and upcoming meetings and events. At the last Township meeting the Supervisors said they would move forward on it.

NEW BUSINESS

- Max Shradley from RETTEW Associates was present to inform and bring us up to date on the total Site Plan for the sewer pump station that is to be located near the Danny Fisher Park so that we can move forward on the renovations in that area, which is to update the ball field and add a picnic and pavilion area and stay within all codes. Eric Brinser also from RETTEW would be helpful in that area of meeting code, we hope to meet with him in the near future.

NEXT MEETING

- Tuesday, July 17, 2007
